On March 6 a report was received of the theft of a catalytic converter and oxygen sensor from a vehicle parked at the Quest office on KY 1651 North. On March 8 a report was received of vandalism to a residence on Denver Winchester Road. The front door to the residence had been forced open causing damage. On March 9 a report was received of a theft from an outbuilding at a residence on Old Hickory Mill Road. Entry was made to the building by cutting off the lock. Taken was a Bush Tec Road Star pull trailer, 2 leather jackets, and 2 helmets with J&M intercom systems. On March 11 a report was received of a burglary to the Somerset Community College. A door to a maintenance building was found open. No property was reported missing at the time of the initial report.
